

LEARN: Children grades 1- 11 in the Monterey County have an opportunity to learn on line an instrument, be part of an orchestra and perform with students from other schools.

GROW: Building confidence and stronger attention through the rigor and cooperation that is required to produce beautiful music.

STUDY: Each student gets ten 30 minute private online lessons during the fall semester from an outstanding instructor.

PERFORM: All groups perform in our Virtual Winter Concert.

CULTIVATE: It's meaningful, it's fun, and it creates an appreciation of music for a lifetime.
